Important Questions	Answers	Why This Matters:
What is the overall deductible?	$250 per person/$500 per family.	Generally, you must pay all of the costs from provider up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. preventive care, routine physical exam for employee, office visit with a network provider, hearing aids, outpatient prescription drugs, supplemental accident benefit services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	Yes. $50 for dental benefits (Active Employees and Dependents of Active Employees only) There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	Medical Preferred Providers: $4,250 per person / $8,500 per family. Medical Non-Preferred Providers: $8,000 per person after the deductible. Formulary Prescription Drugs: $4,300 per person / $8,600 per family. Non-Formulary Prescription Drugs: No limit.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, health care this plan does not cover, hearing aids, dental, vision, and any penalty for failing to preauthorize services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See premera.com/sharedadmin or call 1-800-810-BLUE (2583) for a list of network	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and
