Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p>\$250 per person/\$500 per family.</p>	<p>Generally, you must pay all of the costs from <a href="#">provider</a> up to the <a href="#">deductible</a> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Yes. preventive care, routine physical exam for employee, office visit with a network provider, hearing aids, outpatient prescription drugs, supplemental accident benefit services are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this plan covers certain <a href="#">preventive</a> services without cost sharing and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>Yes. \$50 for dental benefits                      There are no other specific <a href="#">deductibles</a>.</p>	<p>You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p>Medical <a href="#">Preferred Providers</a>: \$4,250 per person / \$8,500 per family.                      Medical <a href="#">Non-Preferred Providers</a>: \$8,000 per person after the deductible.                      Formulary <a href="#">Prescription Drugs</a>: \$5,200 per person / \$10,400 per family.                      Non-Formulary <a href="#">Prescription Drugs</a>: No limit.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p><a href="#">Premiums</a>, <a href="#">balance-billed</a> charges, health care this <a href="#">plan</a> does not cover, hearing aids, dental, vision, and any penalty for failing to <a href="#">preauthorize</a> services.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p>Will you pay less if you use a <a href="#">network provider</a>?</p>	<p>Yes. See <a href="http://premera.com/sharedadmin">premera.com/sharedadmin</a> or call 1-800-810-BLUE (2583) for a list of <a href="#">network providers</a>. For Teladoc see</p>	<p>This <a href="#">plan</a> uses a provider <a href="#">network</a>. You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's</p>
